### Instagram Character Analysis

**Directions:** Pretend you are Bryon or Mark.

- Come up with an Instagram handle that fits the character
- For the first frame, compose a photo that shows something you feel like the character would post about before hustling the Texans, with a matching caption.
- For the second frame, compose a photo that shows something you feel the character would post after hustling the Texans with a matching caption.
  
- You need to use color and show the changes in the character by who and/or what is included in their photos. Use the book to give you ideas, but you don't need to cite.
