Story/Video Adaptation Analysis

1. Draw an image to represent each version of "The Cold Equations." Pick elements that are unique to each version. Use color and do more than stick figures.

"The Cold Equations" short story

"The Stowaway" video

2. What is the most significant difference between the story and the first movie adaptation of "The Cold Equations"? Why? Answer with evidence and thoughtful reasoning. You should have at least 25 words.

3. What is the most significant difference between two movie adaptations of “The Cold Equations”? Why? Answer with evidence and thoughtful reasoning. You should have at least 25 words.

4. What is the theme of the story “The Cold Equations”? Remember theme is a controlling idea/central insight throughout a story that takes a full sentence to express. It probably centers around a cause and effect relationship.
